Notice of Bus Assignment and Transportation Information
CAMERON COUNTY SCHOOL DISTRICT

The information contained in this posting is very important to all Cameron County Students. This information confirms the location and an approximate time for your child's busing to and from school and should be considered permanent unless you are notified of any change by the district or the transportation contractor, STA. Any changes in your address should be reported to the Cameron County School District immediately.

To aid in insuring safe and orderly transportation for Cameron County School District students, audio and video recording takes place on district buses. Each bus has a prominently displayed notice advising all riders that audio and video recording is occurring.

Please have your child at the bus stop at least five minutes prior to the designated time listed. Remember, ALL PM RUNS WILL BE THE REVERSE OF THE AM RUNS.

As always, your patience and understanding regarding this massive responsibility is greatly appreciated by all of us connected with the Cameron County School District. During the first two weeks of school, bus routes may run late, especially in the afternoon, as we adjust to the new school year. Should you have any questions, please contact me:
